6. A student who passes the First-Year Law Students' Examination within three (3) administrations of the examination after first becoming eligible to take it will receive credit for all legal studies completed to the time the examination is passed. A student who does not pass the examination within three (3) administrations of the examination after first becoming eligible to take it must be promptly disqualified from the law school's J.D. degree program. If the dismissed student subsequently passes the examination, the student is eligible for re-enrollment in this law school's J.D. degree program, but will receive credit for only one year of legal study.
7. Completion of any degree program at this law school other than for the Juris Doctor degree does not qualify a student to take the California Bar Examination or to satisfy the requirements for admission to practice law in California.
8. Study at, or graduation from, this law school may not qualify a student to take the bar examination or to satisfy the requirements for admission to practice in jurisdictions other than California.
